The Senior Class

Manheim Township

High School

Neffsville, Pennsylvania

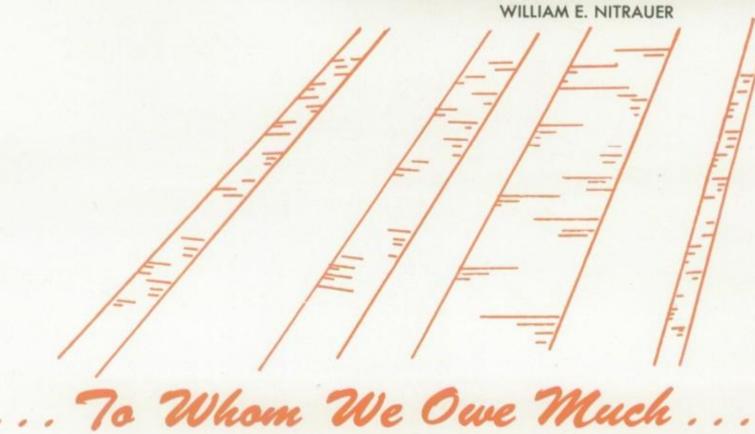

We seek a future, yet unknown, through
the hazy cloud of the present ...to
a shining ray of hope
for a better world.

The youth of today ..... the light of tomorrow.

For outstanding contributions to the Manheim Township School District, we the class of 1957 do hereby inscribe this, our volume of the Neff Vue, to the person whom we feel deserves a testimony of respect.

Constantly striving to improve the facilities necessary for the best education possible, he has unselfishly devoted his entire life to the helping of youth.

Recognizing his valuable service, we humbly dedicate our annual to Mr. William E. Nitrauer.

### ... A Government of the Students, by

Projects ranging from dances to a clean-up campaign comprised the agenda of the Manheim Township 1956-57 Student Council.

One of the first issues to come before the Student Council was that of the Halloween Queen contest. After much discussion, the Council voted that the senior high will elect a queen who will be sent to McCaskey to participate in the county Halloween Queen Contest. The junior high will have a fall dance and elect their own queen to reign over it.

The Blue Streak Booster Club again supported Township Streaks and Streakettes. Selling programs at basketball games was a featured project. The profit from this was put in a fund for a trophy case in the new school.

Starting off the new year right, the Student Council

sponsored a clean-up campaign in February. Highlighting the campaign was a slogan contest.

The Student Council added to Manheim Township's social life by sponsoring two junior high dances and a senior high dance. Making its first appearance on the social calendar was the yearbook dance. Open to the whole school, the dance featured the signing of yearbooks.

Other projects included a Student Council-Faculty get-acquainted party and service as Air Raid wardens during Civil Defense Drills.

Officers of the Student Council were Judith Anderson, president; David Heinzelman, vice-president; Gwendolyn Wenrich, secretary; and Charlene Potts, treasurer. Mr. Alva R. Eshleman is the Student Council advisor.

#### ... Aims to Present a Bygone Year ...

Organizing and publishing the Manheim Township High School yearbook, the Neff Vue, is the aim and responsibility of the Press Club.

Comprised of members of the senior class, this organization begins planning for the yearbook in the latter part of the junior year. The staff elects two co-editors, an art editor, sports editor, business manager, and typist; and a professional photographer is selected to take the senior pictures.

The theme of the 1957 Neff Vue was centered around the phrase, "The Youth of Today Is the Light of Tomorrow." This theme had to be decided upon before any actual work could begin.

In order to finance the cost of publishing the yearbook, ads were solicited at the beginning of the senior year. This was an important duty that the Club members had to accomplish. Inaugurating another "first" for Manheim Township High School, four members of the Press Club—Barbara Yeager, Ronald Moyer, Frances Johnstone, and Byron Kohr—and Mr. Robert Hostetter attended the Columbia Scholastic Press Association Yearbook Conference, held at Columbia University in New York City. The purpose of this conference was to give staff members new and different ideas for their publication.

Members serving on the editorial staff were Barbara Yeager and Ronald Moyer, co-editors; Orren Knauer, sports editor; Charlene Potts, art editor; Richard Pyle, business manager; Charles Gaston, photographer; and Frances Johnstone, head typist.

Mr. Robert Hostetter, Press Club advisor, has done much to make the yearbook a success. His patient understanding, diligence, and encouragement were greatly appreciated.

#### ... Renowned for Variety of News ...

Published twelve times a year or every three weeks at the rate of \$1.50 per year is the Hi-Lite, a newspaper written, edited, proof-read, and sent to press by students of Manheim Township High School.

Comprised of members of the junior and senior classes, the Hi-Lite strives to present the latest school news, sports coverage, and interesting feature articles to each subscriber, both in the junior high and the senior high.

As any "graduate" of the paper will advocate, the experience gained from publishing a periodical does much to enhance a person's general knowledge of English. In essence it is a supplementary course, for much is learned through journalism that cannot, for

lack of time, be learned in the course of school life.

Serving on the editorial staff were Lois Mecum, editor;

Judith Anderson and Ronald Moyer, co-editors; Charlene Morrison, sports editor; Carolyn Carlucci and Charlene Potts, art editors; Ann Greenfield, business manager; and Shelvia Worley and Marjorie Worley, typists.

The staff advisor, Miss Rebecca Leaman, does much to make the paper one of distinction. Through her inspiring help and careful guidance, the staff has been able to perform a much needed school function. Thus to Miss Leaman goes the utmost of praise for a job well done.

### ... Superbly Enacted-Long Remembered ..

"Cornelia, we're adrift!"

"Alone on the wide, wide sea"

"Without our mothers to cluck over us every minute."

These words were taken from the first act of the Senior Play, "Our Hearts Were Young and Gay." A comedy adapted from the book written by Cornelia Otis Skinner and Emily Kimbrough, the play told the story of two girls trying to assert their independence by taking a trip to Paris. The setting was in the Roaring Twenties, sometime in the summer of 1928.

While aboard ship, Cornelia, aspiring to be an actress, had the unsuspecting steward thoroughly befuddled by pretending to be a second Theda Bara; and Emily, trying to be helpful by throwing a deck chair into the water, nearly killed a man who had fallen overboard.

This was only the beginning, for Emily had similar hilarious experiences throughout their trip, and to top everything Cornelia got the measles.

After having to be smuggled past the French health inspector, Cornelia began taking acting lessons in Paris from Monsieur De La Croix. When bitten by "Historic" bed bugs in the pair's exclusive French suite, her upper lip swelled so much that she looked just like, as Emily put it, those Ubangis in the National Geographic. To make matters worse the girls had luncheon dates with Dick and Leo, the two medical students they had met on the ship. However Mr. and Mrs. Skinner arrived just in time, and in a flurry of excitement everything surprisingly led to a most pleasant ending.

### .. A Touch of "The Good Ole Days" ...

Louisa M. Alcott's immortal novel, "Little Women", a sentimental romance which takes place in Concord, Massachusetts in 1863, was the presentation of the Junior Class in the spring of 1955.

The March family—Meg, Jo, Beth, Amy and their mother, Mrs. March, or Marmee, as they called her—lived in a small house next to the Lawrence mansion, where young Laurie and his aged grandfather lived. The eldest was Meg, governess of a neighbor's spoiled children; next was Jo, tall, awkard and tomboyish, who liked to write plays for her sisters; Beth, who helped her mother take care of the house; and Amy, a school-girl who dreamed of someday becoming a famous artist.

At Christmas time the girls were faced with the

problem of what to do with the dollar Marmee said they might spend; at first each thought only of her own needs, but all ended by buying a gift for Marmee instead.

Christmas Eve the March girls staged a play written by Jo, entitled "The Witch's Curse." The hilarious skit was unfortunately cut short by a telegram from a hospital in Washington stating that Mr. March, an army chaplain in the Civil War, was critically ill. To add to this sad note Beth became ill with scarlet fever, and much to the sorrow of all she later dies.

However, with the marrying of Amy and Laurie, Jo and Professor Bhaer, and finally Meg and John Brook, the play ends in a happy atmosphere.

#### ... Proud to Serve Others ...

The purpose of the Junior Red Cross is to help other people in our country and in foreign lands. Under the supervision of Mrs. Kathryn Kuhl, this service organization is composed of homeroom representatives from grades seven through twelve.

Highlights of a most successful season included the

packing of small gift boxes and the making of popcorn balls for the Veterans' Hospital. In addition they helped plan a special Red Cross Dance.

The officers were Linda Seasholtz, president; Mary Ellen Groff, treasurer; and Linda Jane Strickler, secretary.

#### ... Service is Their Motto ...

The Key Club is an organization whose main duties are to better the community, the school, and the members of the club. In general it is a service organization.

Under the sponsorship of the Manheim Township Kiwanis Club and the advisorship of Mr. Charles C. Kreider, the Key Club does as much as possible to benefit the school.

The first of the Key Club's projects was handling the concessions at the home football games. They shared this project with the Tri-Hi-Y. They carried this project into the basketball season as they sold hot dogs and soft drinks at the games. Another school project of the club was the washing of the Drivers' Education car.

One of the biggest community service projects was undertaken this year in conjunction with the Kiwanis Club. The Key Club helped to sell peat moss to sponsor a foreign exchange student from Europe for the 1957-58 school year.

The Key Club also had social functions. The club sponsored a social hour after one of the basketball games. Late in the spring several members went to the state convention for the election of state officers and the transaction of other business. Topping off the convention was the Key Club Ball.

Having one of the largest memberships this year, 37 members, the club had an excellent group of officers. Heading the club was John Eshelman, president. Other officers were Barry Nelson, vice-president; Orren Knauer, secretary; James Graham, corresponsing secretary; John Andes, treasurer; and Jack Weaver, chaplain.

Working in cooperation with the Lancaster Automobile Association, Manheim Township's Safety Patrol has once again successfully completed a year's work under the guidance of Mr. William Cushman.

The main objective of the Safety Patrol, which consists of junior and senior high students, is safety, whether it be on the school buses or on the school grounds.

This year the school district had thirteen buses in operation, with most of them making two trips in order to transport the township children to and from their

classes. The bus drivers were in great need of the assistance offered by the members of the Patrol.

Meetings of the organization were conducted on alternate Mondays, with the time mainly being devoted to discussing problems relating to the school buses and pedestrian practices on and near the school grounds.

Leading the Safety Patrol were Erma Herr, captain; Carolyn Bergman, Judith Keller, and Robert Tome, lieutenants.

#### ... Develops Christian Character ...

Creating higher standards of clean living and building fellowship among high school students are the purposes of the Hi-Y. Affiliated with the Young Men's Christian Association, the club this past year was composed of approximately thirty-four senior high school boys.

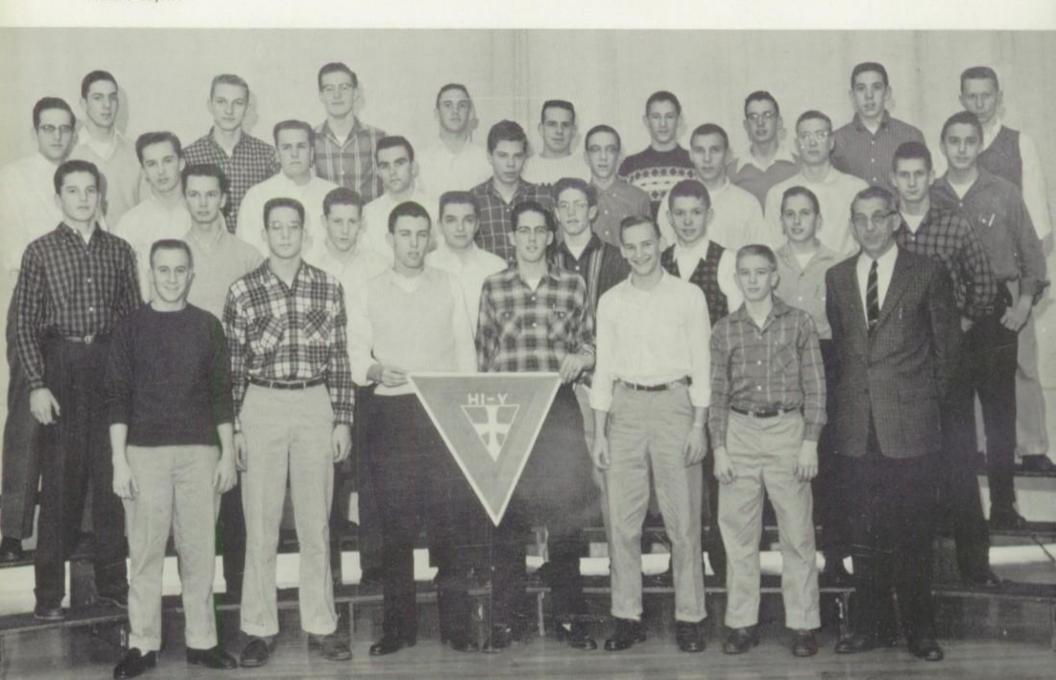

Service, the main feature of the Hi-Y, was practiced extensively throughout the year. As one of the projects, the boys sent a Care package to Hungary to further the cause of freedom. The Hi-Y also sponsored a social hour after a basketball game, and for the fourth year the Hi-Y and Tri-Hi-Y clubs jointly sponsored the "Varsity Drag." The "Hi-Y Hoedown" was also greatly enjoyed by all who attended.

The club's induction ceremony, a very inspiring and beautiful service, was held this year in November. Those invited to this ceremony included the faculty, the parents of the club members, and the members of the Tri-Hi-Y club.

Much of the success of this fine organization stems from Mr. Warren Druckenbrod's thoughtful guidance as club advisor.

David Heinzelman was president and Byron Kohr, vice-president. Secretary was Jack Messersmith and the treasurer, John Heinaman. Harold Lehman was chaplain.

#### ... Ambassadors of Good Will ...

Membership in the Tri-Hi-Y, a service organization affiliated with the YWCA, is open to junior and senior girls who show outstanding achievement in school activities and promise to create, maintain, and extend high standards of Christian character throughout the home, school, and community.

Club members gave of their time during the football season by selling football programs. The club sponsored a social hour after a basketball game, while the Hi-Y and Tri-Hi-Y together sponsored the "Varsity Drag."

Money for the service projects throughout the year

was obtained by the girls who gave their service at bakesales after school. The money was used for Hungarian relief and other organizations, for a party for the children at the Heart Haven, and for scrapbooks for children's hospitals. Meetings were full of fun while the girls ate, saw slides, or had public speakers.

These projects would not have been possible without the able assistance of the advisor, Mrs. Margaret Hower. Officers for the school year were: President, Hazel Durham; Vice-president, Barbara Yeager; Secretary, Erma Herr; Treasurer, Sherry Potts; and Chaplain, Charlene Morrison.

FIRST ROW: Kathy Emich, Anne Downey, Kathryn Landreth, Sally Phillips Rita Rose, John Baymiller, Connie Nelson, Ann Cammauf, Carole Gantz, Linda Potts, Mr. Russell Berkheimer. #### ... The World is but a Stage ...

The purpose of the Junior Dramatics Club, (above), under the direction of Mr. Russell Berkheimer, is to engage in co-operative, student-centered activities and to gain confidence and poise through public speaking.

During their weekly meetings, these junior high students gave play readings, monologues, reports on drama schools, and biographies of famous actors and actresses. Some time was spent on make-up instruction and criticism of current motion pictures.

The Teen-actors (lower photo), under the direction of Miss Mary Weaver, have been working on dramatics at their weekly meetings. They presented small plays within their group and then analyzed their content, trying to improve upon diction, expression, and theatre positions. All of these preparations were preliminary practices for their one act play presented in the spring.

Under the supervision of Mrs. Esther Fritz, faculty advisor, the Senior Dramatics Club presented a special Christmas assembly, which included a monologue by Carol Miller, a poem by Frances Rubin, and a play, "The Christmas Heart," by members of the club.

During their meetings the members read monologues,

dialogues, and poems—all for the purpose of giving each person a chance to read before a group. Plays for future programs were reviewed during the year.

Adding much to the prestige of the school is the fine Senior Choir, under the direction of Mr. Harold W. Shaar.

Along with concerts presented to various organizations such as the Rotary Club, the choir participated in three main school concerts.

A vesper service, including all of the first part of Handel's "Messiah," was presented in the early part of December. The annual Christmas assembly consisted of musical contributions by many of the school's organizations, with the Choir rendering portions of the "Messiah." The final vocal concert in the spring saw the Choir presenting selections from "Oklahoma" as the grande finale.

Monday, Tuesday, and Friday seventh period were the practicing sessions for the organization, which is open to sophomores through seniors.

This year's officers included: Charlene Morrison, president; John Eshelman, vice-president; Gwendolyn Wenrich, secretary-treasurer; and Hazel Durham and Doris Smith, librarians.

Providing an opportunity for students in band and orchestra to sing is the Senior Choral Club. Formed three years ago, this club has been successful in giving instrumental students a chance to participate in vocal work, as the choir periods and band and orchestra periods conflict.

The club, open to anyone in senior high school, provides music in two concerts. "The Birthday of a King" and "Angels We Have Heard on High" were sung in the annual Christmas Concert. Participation in

the Spring Vocal Concert in May consisted of selections that will long be remembered for their beautiful style of presentation.

Meeting every Friday first period, the club is under the direction of Mr. Harold W. Shaar.

Officers of the club included Lillian Herr, president; Jack Groenendaal, vice-president; Nancy Sandmann, secretary-treasurer; Phyllis Foltz, Peggy Kirchner, librarians; and Margaret Weidel, and Carol Belstra, accompanists.

Under the capable direction of Mr. Harold W. Shaar, the Junior Choral Club was organized several years ago for boys and girls in the junior high school interested in the opportunity to sing and to learn the fundamental principles of singing.

According to tradition they appear twice a year in school concerts. Their contribution in the Christmas program was "Jesu Bambino" by Yon, and in the Spring Concert they sang "Lift Thine Eyes," and "Mother of Exiles," and "Music Box," a novelty selection.

This club consisted of one hundred and two girls and boys.

Officers were Carol Myers, president; Marion Weaver, vice-president; Linda Eshelman, secretary; Frances Groff, Ann Greist, and Joyce Herr, librarians; Ann Nuss, Mary Jo Winters, and Ann Breneman, accompanists.

"Esprit de Corps" is the motto of the Senior Band. Beginning the year with the football season, the band presented half-time or pre-game entertainment for spectators at Manheim Township football games. This year, under the capable direction of Lindalou Alexander, the band gave worthy performances both home and away. One of the focal points was a Halloween Show, originated solely by four band members, including Susan Graul, Judith Anderson, David Heinzelman, and Lindalou Alexander.

David Heinzelman led the list of officers as band president, assisted by Richard Pyle as vice-president and Shirley Gerwer as secretary-treasurer.

After football season, the band attended several farm shows. This year the Manheim Farm Show netted a first place rating for the group.

Concert Band was next on the agenda. The band placed several members in the Southern District Band, including Doris Horst, Darlene Horst, Cynthia Kreider, Mary Bernice Hauck, Judith Anderson, Richard Phillippi, Ethel Armstrong, and David Heinzelman. Nineteen members of the band were chosen to represent Manheim Township at the County Band Festival on February 23, and the annual concert presented by the high school band was given in April. Highlights were the opening march, directed by the band president, and a clarinet solo by Doris Horst.

### ... On the "Ole Down Beat" ...

The Junior Band's year began with a whistle and a downbeat as they accompanied the Junior Varsity football team to both home and away games, where they offered the much needed moral support so important to athletic contests.

Following the football season the band began to perfect selections which they would perform in the annual Junior High Concert, presented March 2. Focal points of this season's concert included Rachmaninoff's "Prelude in C Minor" and "Roll Along Iowa," which

featured the twirling of the junior high majorettes.

Comprised of junior high school students who enjoy band music and who wish to learn more about playing and marching, the band owes much of its success to the unceasing efforts of Mr. Donald Mease, instrumental director.

Officers included Richard Wagar, president; Ruth Jean Fredericks, vice-president; and Diane Long, secretary-treasurer.

Providing entertainment for the audiences between the acts of the Senior and Junior Class Plays is the Senior Orchestra, which is comprised of members of the senior and junior high school.

Traditionally playing in the Christmas program, the orchestra again accompanied the choir for the rendering of the beautiful "Hallelujah Chorus;" and at their Spring Concert they performed various selections, including the first movement of Beethoven's "Fifth Symphony in C Major," the "Emperor's Waltz" by Johann Strauss, and "Flute Cocktail," which featured a flute trio consisted of Darlene Horst, Cynthia Kreider, and Shelvia Worley. String orchestra, a separate group consisting of people who play stringed instruments,

played "Jazz Pizzicato" by Leroy Anderson. Carolyn Carlucci, first violin, played a solo.

The students who elect orchestra meet bi-weekly under the direction of Mr. Donald Mease, who advocates that the purpose of the orchestra is to develop musical ability and also good character.

Twelve members of the orchestra played at District Orchestra, which includes an area of ten counties, and in addition nineteen musicians performed at the County Festival.

Carolyn Carlucci as president was assisted by Sylvia Ruth as vice-president, and Susan Graul as secretarytreasurer.

Many junior high students, who are working toward higher goals in music and toward belonging to Senior Orchestra, participate in Junior Orchestra. This interested group of young musicians, drawn from the seventh, eighth, and ninth grades, rehearses once each week under the guidance of Mr. Donald Mease, instrumental supervisor.

One of the highlights of the year was the mid-winter concert. The orchestra's section of the program included "Copa Cabana," a Latin rhythm; "Dancing in the Dark," by Arthur Schwartz and Howard Dietz; "The United

Liberty March;" and, in a classical vein, Tschaikowsky's "Seranade."

Leading the orchestra were its able and reliable officers: President, Audrey Zook; Vice-president, Fred Engstorm; and Secretary-Treasurer, Cherry Skomme.

In connection with the junior orchestra is a separate group consisting of those who play string instruments; violins, cellos, violas, and string basses make up the string orchestra. Combining with the senior high strings, they performed in assembly once this year.

## ... Vive La France! ...

Under the direction of Miss Joan Nolan, the French Club has shown much interest in the French people and their customs. During many of the meetings Miss Nolan told the members of her trip to France and showed slides of many interesting French sites.

Collecting clothes to send to a children's tuberculosis center in France was the Christmas project of the club, and the New Year brought about a continental dinner, which was prepared by the members at the home of Miss Nolan. The atmosphere for the dinner had the background of a French cafe, with red checkered table cloths and drip candles to set the scene. Along with

an exotic French menu, entertainment was provided by Paula Wiggins and Judith Coy; Paula was dressed as a French waitress and danced to "Mimi," while Judith sang "La Vie En Rose."

A scrapbook portraying life and activities at Manheim Township was sent to a high school in France in exchange for a similar portrayal of high school life on the continent.

The officers were Georgianne Kunzler, president; Richard Moyer, vice-president; Susan Bryner, secretary; and Gene Killian. treasurer.

# ... Studying the Science of Living Things ...

To those interested in furthering their knowledge of the Biological Sciences, the program offered by the Biology Club presents unlimited opportunities.

Making extensive studies of plant and animal phenomona, the club had a widely varied array of activities and programs, ranging from classroom lectures to outdoor field trips. Many club periods were spent on finishing an exhibit for the club's assembly program, held in conjunction with the Science Club. The members used two experiments on osmosis plus working models of leaf and cornstalk cross-sections.

Other activities included talks during club periods by the members on hobbies connected with biology, a trip to the Lancaster General Hospital, and interesting films relating to the science.

One of the club's main activities was the planning and preparation for the annual Lancaster County Science Fair, which was held in March. A majority of the members participated in the Fair by entering projects depicting all phases of biology.

Much of the club's success was due to the untiring efforts of the faculty advisor, Mr. Harold Kling.

Officers were Timothy Williams, president; Richard Sprott, vice-president; Gail Healey, secretary-treasurer; and Evelyn Breuer, publicity chairman.

#### ... Scholarship, Leadership, Character. Service ...

A red carnation is the symbol of membership of a junior or senior student in the National Honor Society. The disclosure of the names of the inductees is kept a secret until the day before the induction ceremony, at which time the new members receive this flower emblem from the old members.

The members of this society, with the limit at thirteen per cent of the senior class and twelve percent of the junior class, must be in the upper third of their class to qualify.

Members are chosen with four characteristics in mind: character, showing distinguished traits; leadership, illustrating ability to use influence for the benefit of others; scholarship, exhibiting quality of learning; and service, displaying participation in activities for the welfare of the school and classmates.

A flaming torch, the symbol of the light of truth, is the emblem of the National Honor Society and is placed in a keystone representing those four desirable qualities.

Acting as faculty advisor for this, the oldest organization at Manheim Township High School, is Mr. Warren Druckenbrod. Officers included Rongla Moyer, president; Ann Greenfield, vice-president; and Charlene Morrison, secretary-treasurer.

## ... Um-m-m, What's Cookin'? ...

"We are the future homemakers of America; we face the future with warm courage, and high hopes."

Thus begins the creed of the Future Homemakers of America. This is a national club and is open to sophomores, juniors and seniors. A girl must have two years of vocational home economics before she is eligible for membership. Meeting the third Monday of each month, the organization's main purpose is to be of help in the community in which it is located.

Under the able leadership of Mrs. Helen H. Wise, the club undertakes many projects. This year the club sent clothing to the Crossnore School, Crossnore, North Carolina, went caroling at the old folks' home, and distributed candy canes to the aged and also to the orphans at the orphanage at Neffsville. The annual projects of the club included a Christmas card sale to help raise the funds needed in addition to the dues that are collected, the annual trip to the Harrisburg Farm Show in January, and the Mother and Daughter banquet held in May.

The officers this year were: President, Dorothy Mellinger; Vice-President, Virginia Shaub; Secretary, Martha Fish; and Treasurer, Jane Snyder.

## ... Destined to Fight Disease ...

The Future Nurses Club, under the supervision of Miss Edna Armstrong, has endeavored to help high school girls decide which field of medicine to enter. To achieve such a purpose they have visited the Poly-Clinical Hospital of Harrisburg and have had an X-ray technician, a laboratory technician, and nurses from the Germantown Hospital as guest speakers.

The members of this club worked towards eligibility for pins, which were given near the end of the year. Service projects were required for those pins, so the girls read to the children of the Lancaster General Hospital. During the Christmas season they visited the County Home, where they provided entertainment and refreshments for the elder people. They have gained a great deal of useful experience while helping with the Salk Polio Vaccine program, which was staged in January. In addition to these numerous services they conducted community welfare drives.

Officers of the Future Nurses Club were Gail Parman, president; Virginia Shaub, vice-president; and Brenda Sheaffer, secretary-treasurer.

The Photography Club was organized last year to give students interested in photography a chance to learn more about it while at the same time teaching others what they know. It was also intended to arouse interest in, and instruct future photographers for, the Hi Lite and Neff Vue staffs.

Programs for the weekly meetings were usually conducted by members, but one highlight of the year was a talk by Manheim Township Chief of Police, John Kauffman, who told about photography in police work. This included a demonstration of a fingerprint camera and examples of pictures used in accident suits. Other programs covered the full range of photography, from the

simplest camera parts through specialized techniques and equipment to actual picture-taking sessions, both indoors and out. The club also visited the new WGAL-TV photo laboratories.

There were no requirements for membership in the club other than an interest in photography. Some members had only a simple box camera, while others had several expensive cameras plus darkroom facilities. Although it was not required, all members were urged to enter at least one photo contest during the year.

For the second year the club was capably advised by Mr. Robert Hostetter. President of the club was Charles Gaston.

The Rifle Club strives to teach safety in the handling of firearms. Marksmanship is the secondary object of the club.

Due to the increasing popularity in target shooting, the club operated at maximum capacity this year.

Members are chosen from grades nine through twelve, and each member fires once a week on the school range.

Since the club is affiliated with the National Rifle Association of America, each member becomes a Junior Member of the National Rifle Association.

Proficient marksmen from the club are usually chosen for the Rifle Team. The team had a full schedule of matches from January through March this year.

Mr. Ward P. Latshaw, faculty advisor of the Rifle Club, deserves praise and thanks for the fine job he does.

Officers this year were: Richard Pyle, president; William Stoe, vice-president; Jere Lyons, secretary; and Maurice Landis, executive officer.

#### ... Intramurals, Auctions, Tournaments—Service ...

Any senior high school girl who is interested in sports may be a member of the Leaders' Club. The members assist in gym classes and also teach grade school gym classes in the Neff School.

Refereeing intramural was the main activity of the club. Other projects of the year were keeping the locker rooms clean and auctioning jewelry that was found and not claimed by the owner. The members also sold pompons at the football and basketball games, and after the last basketball game, the club sponsored a social hour.

A volleyball tournament was sponsored by the club for members of the faculty and the student body. The donations obtained from the volleyball tournament and the money received from the jewelry auction were used to purchase two trophies, which were given to the outstanding senior girl and boy who participated in the 1956-1957 sports season. The winners of the trophies were selected on outstanding sportsmanhip and not on ability or scholarship. Cheerleaders were also eligible for this award. The trophy went to a girl and boy who did not receive the Blue Streak or Streakette award.

The club also purchased some new equipment for next year.

Officers of the club were President, Charlene Morrison; Vice-President, Nadine Wise; and Secretary-Treasurer, Edna Armstrona.

All of the activities were made possible with the able assistance of the advisor and girls' physical education teacher, Mrs. Margaret Hower.

Making its first appearance at Manheim Township High School is the Archery Club, which was organized this year by Miss Jane Dailer who serves as advisor.

The club provides a place for junior and senior high school girls to develop additional skills in archery.

At the end of March the organization swung into action. Records of scores were kept, and ten top scorers were selected to try their skills against another school.

Scheduling a Fun Day was part of the Archery Club's program. At this time, the members tested their skills by shooting at caricatures of faces and balloons. The club was divided into four teams, which enabled the girls to compete against each other.

# ... Separating Fact From Fiction ...

Originally intended to promote interest in the various fields of science, the Science Club has fostered that interest this year both through meetings of the club and through an assembly presented by the combined Science and Biology clubs.

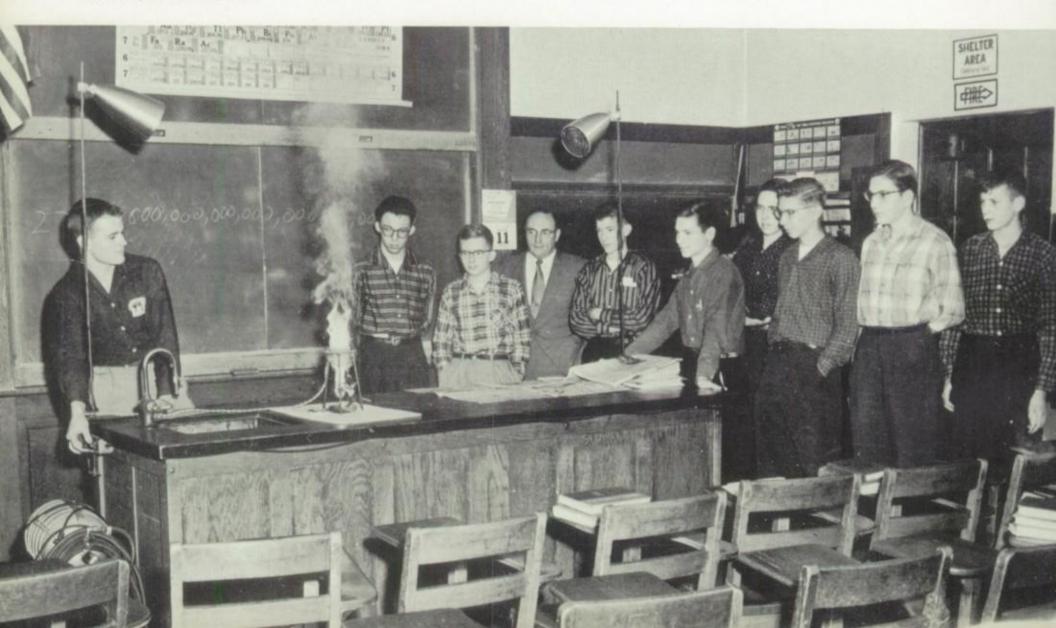

In addition to business, regular meetings included programs given by club members. Business included notification of events, developments, contests, scholarship opportunities, and similar items of interest to the group. Programs were on any phase of science, and varied from impromptu discussions of recent advances in science to presentations of intended science projects, or other club events. Also some meetings were devoted to the planning of the annual assembly.

There were only two requirements for members of the Science Club. Each one was required to complete a project for entry in the Lancaster County Science Fair, and each was obligated to pay his dues, which were used to finance group projects.

With the advice and guidance of Mr. James Livengood, club advisor, members of the club have gained recognition in local competitions. Any who go on to make science their life's work will undoubtedly remember his enthusiasm and encouragement.

Officers during this past year were: President, Charles Gaston; Vice-President, and Secretary-Treasurer, Clyde Gamber.

# ... Creative Young Misses ...

The purpose of the Creative Hands Club is, as the name indicates, to originate creative designs with the hands. The club, which was inaugurated in 1953, had a membership of sixteen eighth and ninth grade girls this year. Membership must be limited because of the type of equipment used and the nature of the work done.

Swedish woven skirts, table mats, waffle woven mats,

hexagonal loom mats, towels, dresser scarves, luncheon sets, and handbags were some of the things the girls made.

The club, under the supervision of Miss Florence Kreider, meets every Friday during the first period.

The officers were: President, Mary Jo Winters; and Secretary, Sarah Martin.

Mr. Alva Eshelman, Guidance Counsellor, advises seniors David Heinzelman and Lynn Mayo on choice of college and career area.

#### ... Counsels Students on Varied Problems ...

What courses shall I take? Should I go to college? Where can I find a job? What shall I be?

Questions like these are fired at Mr. Alva Eshelman, school Guidance Counsellor, every day of the school year. To help students find the answers to these questions, the Guidance Department is busy arranging lectures, interviews, discussions, and study groups throughout the year.

One of the most basic problems facing high school students is the choosing of a career best suited to them. To guide students toward the proper choice, the Guidance Department launched a special four-point career program for senior high students.

Thirteen career groups participated in at least four meetings throughout the year. These groups were ascertained by tabulating the careers chosen most frequently on forms filled out by students.

The climax of the program was a "Career Day" held in March when all the groups met in the auditorium to hear a keynote speaker followed by discussion groups and a summarizing period. Prior to this, the groups had had separate question periods, discussion periods, and speakers.

The career groups consisted of armed forces, aviation, and air line hostessing; building trades, such as carpentry, plumbing, and mason-ry; busines administration; medicine, including dentistry; technical work and engineering, including mathematics, and fields of science; art, including interior decorating; mechanics; nursing; religion and social sevice; clerical work, including secretarial fields; teaching; and sales-manship.

#### ... Brains and Brawn Bring Victory ...

In the middle of August, the prospective members of Manheim Township's Blue Steaks were practicing under the hot sun. This work, coupled with determination and fighting spirit, achieved five wins during the season. Of the other four conference games, one was tied and the others were lost after hard battles.

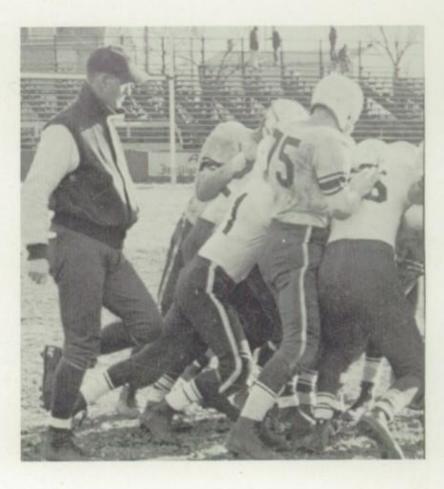

The first game of the season was the traditional opening bout with Lancaster Catholic. Although Catholic won 32–0, this was no indication of poor performance for the Streaks. Catholic went unbeaten during its season.

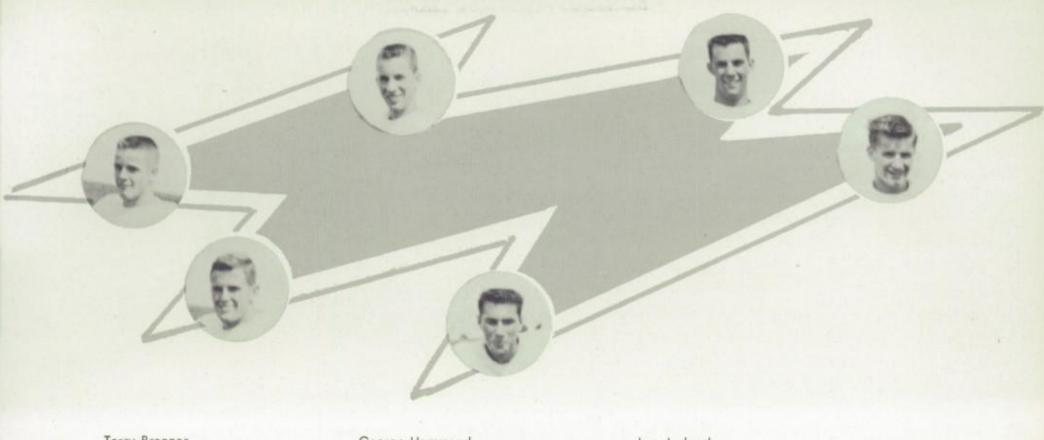

It seemed as if we might have more luck with Elizabethtown when an early touchdown put Township seven points in the lead, but the Bears retaliated near the end of the half and tied the score. They really caught on fire after the start of the second half, and the disheartened Streaks could not stop three more scores.

Thanks to expert coaching, the Streaks knew exactly what to expect from Red Lion. Anticipating the plays, they stopped cold most of Red Lion's thrusts and often caught them behind the scrimmage line. This defense prevented any opposition scoring, while the offense racked up thirty-five points and a whitewash.

Memories of last year's close game with Columbia gave the Streaks a real determination to win this time. After receiving the opening kick-off, the Streaks ground steadily to the goal, and after three minutes they had scored. For the rest of the game both teams, evenly matched, struggled up and down the field without scoring. Then with barely a minute remaining, Columbia managed to score. When the decisive extra-point attempt failed, the Streaks had won the thriller, 7—6.

#### ... Seniors All ...

Even though Palmyra beat Township 28-6, many fans consider that game to be the best the Streaks played all season. The score was only 14-6 at the half, but the Streaks could neither score nor hold the Palms in the second half. Palmyra pushed through for two more touchdowns in a very damp fourth quarter.

Four different members of Township's team gained touchdown honors against Solanco, while the defense held the Golden Mules to a single score. Once again the Streaks triumphed where they had had a close loss the year before.

The Streaks also played one of their best games against Ephrata, despite the fact that they lost 21-7. The fina' score was no indication of the fight that was put up, for the score was tied at the beginning of the fourth quarter. The Streaks had an even chance to down the league-leading Mounts, but suddenly Fortune looked unfavorably upon them. A fifteen-yard penalty gave the Streaks a setback from which they could not recover. From there, Ephrata recovered a fumble for one touchdown and intercepted a pass for the final score.

A confusing, rapid, and highly disastrous fumble on the opening kick-off gave Warwick a 7-0 lead in the annual tussle. The Streaks drove back and scored, but failed on the extra point. In the third period Warwick widened its lead to 13-6 with a long pass. Then in two tense minutes before the final gun, a penalty against Warwick, a completed pass, and a pitchout combined to carry the ball across the goal. This exciting game was climaxed by a line smash, adding the final tying point.

Either in spite of or because of being picked to lose, a determined Township team pushed Manheim's Barons all over the field. The Streaks took the kick-off and rolled straight to a touchdown. They almost made another in the second quarter, but fumbled on the fouryard line. A pass and kick added seven more points to the Township cause, and another pass brought the score to 20-0 at the end of the third quarter. Time ran out before the Streaks could score in the fourth quarter.

Expecting an easy victory in the final game of the season with Cocalico, the Streaks were caught off balance and driven back to their 13. There the defense held, but the offense couldn't seem to get moving. The first half ended in a scoreless tie. Thoroughly disgusted with their own performance, the Streaks bounced back to knock Cocalico flat. They plowed right through their opponents to roll up 13 points in the third quarter, then redeemed themselves completely by adding another seven points before the end.

Receiving special recognition for their excellent play were Lew Ireland, tackle; and Chuck Gaston, guard; who were named on the all-County football team.

To make an athletic team a success, it is necessary to have an excellent coaching staff to instruct and encourage the team. Manheim Township is fortunate in having one of the top staffs in the county.

Serving as head coach since football started at Manheim Township twelve years ago is Mr. Paul L. Wenrich. He was graduated from Hershey High School and went on to star at Franklin and Marshall College.

Also completing his twelfth year of coaching is Mr. Alex A. Kilkuskie. He played his college football at Temple University after having been graduated from Mahoney City High School.

After this collegiate days at Millersville State Teachers College, Mr. Stephen Palkovic came to Township as assistant coach three years ago. He is a graduate of Lebanon High School.

In his first year of high school coaching, Mr. Bruce A. Westerdahl completed the staff of coaches. Playing his high school ball at Gettysburg, he continued his education at Franklin and Marshall College.

After thumping New Holland, 3–1, and Manheim' 6–1, in practice tilts, Coach Margaret Hower's lassies, with championship gleams in their eyes, entered into the first round of league competition by toppling Penn Manor, 3–0. The Streakettes gained another 3–0 victory when they rolled over the Solanco eleven on the Quarryville field. Township's sparkling defense kept the two former teams from scoring. Meeting a determined Warwick squad, Coach Hower's girls were tied, 1–1, on a desperate goal by the opponents in the last two minutes of the game.

Township squeezed by Penn Manor and Solanco by identical scores of 1—0 in the second half of competition. These were the third and fourth games in which the Streakettes held their opponents scoreless. Encountering Lancaster Country Day School in a practice tilt, the team continued its winning streak by stopping the opponents, 3—1. Township's girls proved that they had plenty of fight when they won the Section One title for the second straight year by defeating Warwick, 3—1, in a tantalizing contest. The team announced its victory by carrying Mrs. Hower and Miss Helene Schmidt, assistant coach, through the halls.

History was recorded at Manheim Township when the hockey squad conquered Elizabethtown, 2—1, for the Lancaster County field hockey championship. This was the first time a Township team had received this great honor. The girls attributed their success to fine coaching, their mascot, "Bully," and their strong faith.

#### ... Undefeated ... Untied ...

Under the able tutelage of their competent new coach, Miss Helene Schmidt, the Junior Varsity Streakettes ended a very successful season with a perfect 9—0 record. Township was scored upon only once.

After toppling New Holland, 5-0, and Manheim Central, 1-0, in practice tilts, the squad upset Penn Manor, 1-0, on the Neffsville field. Although Solanco pushed across the only goal scored against Township, the lassies defeated their opponents from Quarryville, 7-1. A 3-0 victory over Warwick gave the Streakettes a 5-0 record at the end of the first half of loop competition.

Squeezing by Manor, 1—0, for the second time, the team went on to defeat Solanco, 2—0, and thumped Country Day in a non-league contest, 3—0. Concluding the schedule with a 4—0 win over Warwick, the J.V.'s completed a perfect 9—0 season.

#### ... Victory Emerges From Teamwork ...

The Blue Streak basketball team coached by Mr. Paul L. Wenrich and Mr. Bruce Westerdahl ended another successful season with nine wins anf five losses in league competition. In addition they had two victories and a defeat in non-league play.

The Streaks started with a pre-league victory over East Lampeter, 48—43. The boys were not as fortunate as they dropped their next game to Catholic, 56—46.

Opening their league play, the boys in Blue and White scored a victory over Manheim Central, 59—56. Township then fell into a three game losing streak, losing to Penn Manor, Ephrata, and Columbia by: 45—36, 58—50, and 48—35 counts respectively. However, Township forced Ephrata into overtime before bowing.

The Streaks then caught fire as they whipped Hempfield 58 to 49 on the Neffsville court. Still at home, Township defeated Elizabethtown, 70—59. Then the Neffsville cagers revenged an earlier loss to Catholic by nipping them, 67—66. Township racked up number four

in a row by conquering Donegal, 46-38.

Entering the second half of play, the boys picked up considerably, although they dropped the first game to Manheim, 60–57. The Streaks then started another three game winning streak by defeating Penn Manor, 84–68, in a freescoring game. Ephrata then fell victim to the Streaks' regenerated attack, 64–49. In a closely fought game the Streaks defeated Hempfield by 5 points, 60–55. In a game that meant second place in Section 2, Elizabethtown downed the Township boys, 62–54.

With the auditorium at Neffsville holding an over-flowing crowd, Township entertained the champion Columbia squad minus the Streaks coach, Paul Wenrich, who was hospitalized. However, assistant coach Bruce Westerdahl, led the boys to a 61–52 upset victory over the river boys. Township ended a very successful season with a high-scoring victory over Donegal, 85–70.

JUMP MONK! Terry Brenner goes high in the air as the Township—Columbia game begins.

STATUES. Everyone seems motionless as John Eshleman fights for a rebound.

### ... Mighty Capable Cagers ...

The junior varsity basketball team ended the year with a winning record of nine victories and eight defeats. Thanks to the fine coaching of Mr. Paul L. Wenrich and Mr. Bruce Westerdahl, Township won many close games that could have been lost.

In non-league tilts against East Lampeter and Catholic, the junior varsity defeated the Eagles, but they lost to Catholic. They opened the league season with three successive victories over Manheim Central, Penn Manor, and Ephrata. However, Township lost their eye in the next four games as they dropped decisions to Columbia, Hempfield, Elizabethtown, and Catholic.

After defeating Donegal, the Streaks just got by Manheim Central and Penn Manor by one and two points respectively. Ephrata and Hempfield both racked up 40 to 27 victories over Township. After splitting games with Elizabethtown and Columbia, Township ended the season with a 47–45 nod over Donegal.

Under the capable instruction of Coach William Cushman and assistant coach Henry Keneagy, the junior high Streaks fought fallantly, but unsuccessfully, as they ended the season with a 2–9 record.

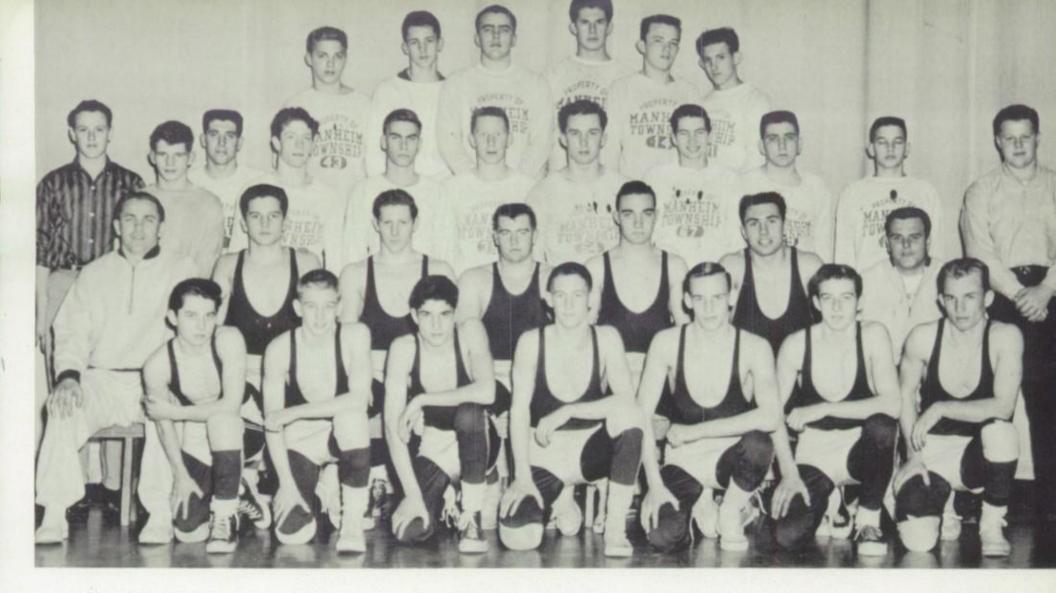

After losing a non-league encounter to Elizabeth-town, the Townshipmen knocked off their first two league opponents, Ephrata and Penn Manor. However, from this point on the boys met only with disaster. Meeting Warwick on the home court, the Blue Streak quintet dropped a decisive victory to the Pretzels. After losing at Lancaster Township, the boys returned home, only to be set down by Cocalico and Ephrata.

The Streaks collected two more losses at Penn Manor and Warwick, but returned home with high hopes that they would now move. But this idea was soon shattered, as they were crushed by Lancaster Township. In the final game of the season, Township fought bravely, but was set down by the Cocalico five.

Although the junior high Streaks did not have a winning record, they fought bravely, and they must be commended for their true Township spirit.

### ... Grunt and Groaners ...

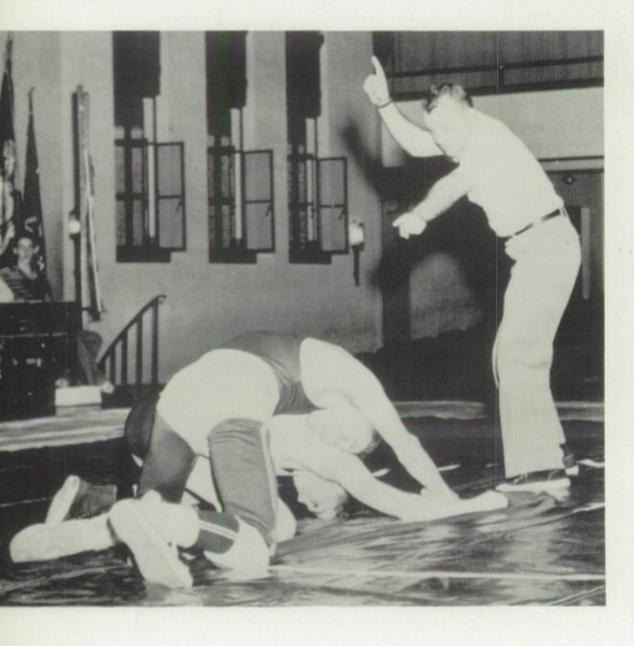

The Manheim Township wrestling team had a very successful season as they won seven matches and lost only four. The successful season was possible through the fine coaching of Eugene Miller and Stephen Palkovic.

The Township matmen opened the wrestling season by being defeated by Milton Hershey, 39—8, and by Reading, 28—19. For the first time in the Streaks' history, the wrestlers defeated Hershey High by a 22—14 score. A winning streak now was started as the team won over York, 29—18, and defeated Hanover, 46—7.

Traveling to Columbia the team came back to Town-

ship with another win, 22–20. After winning a fine match with Hempfield, 33–15, the Streaks dropped a 25–14 decision to McCaskey. A powerful Manheim Central team defeated theTownshipteam, 40–6, but they bounced right back to beat West York, 35–11. The season was closed in fine fashion as the grapplers upset the matmen from Solanco by a score of 28–14.

In the Section 1 tournament of District III wrestling competition, three Township grapplers reached the semi-finals. Neil Kochenour, John Heinaman, and Ray Rutt advanced to the semis at the 103, 127, and 138 pound weight divisions respectively.

### ... Ready, Aim, Fire ...

Under the fine coaching of Mr. Ward P. Latshaw Jr., the Township rifle team turned in a successful season with four victories and two defeats.

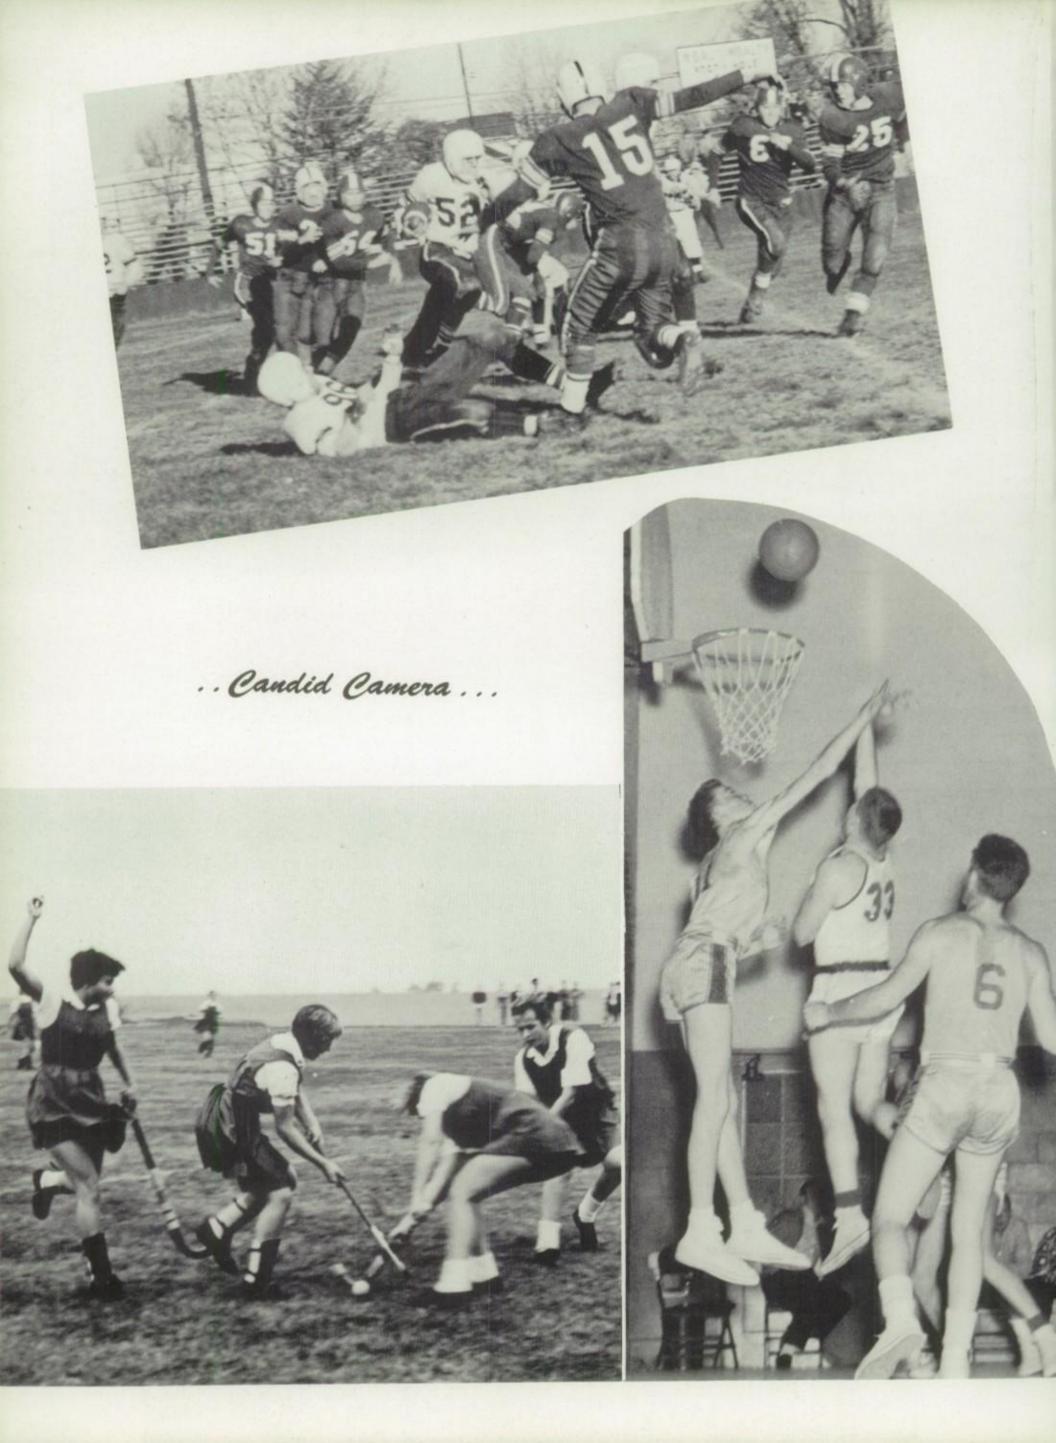

In the first match of the season the Township marksmen scored an easy 488—467 victory over Donegal. Continuing their winning ways, the Streaks our-shot York Central, 490—484. Ephrata brought Township's winning streak to a halt by defeating Township 493—489.

Starting the second half of the season, the sharp-shooters of Township again defeated Donegal by a 492—469 count. York was Township's fourth victim as the Streaks won out, 492—483. In the final match the Streaks made a tremendous effort by shooting 496, but they fell one point short of Ephrata's total to give Ephrata the championship.

Although the rifle team finished in second place, the boys showed their true form in the District III shooting when they captured first and second places. Winning the District III individual title was Richard Pyle by firing 200. The runner-up position went to another Township marksman, William Stoe, who shot an excellent 198. Also placing in the firing was Alvin Herr who won eighth place with a 194.

Approximately one hundred seventy-five boys in each athletic season of the year are engaged in the Manheim Township High School Intramural program.

This program is open to all boys who are not active members of regular varsity or junior varsity teams.

The 1956-57 teams included football, basketball, volleyball, softball, and track. These teams alternate playing on Monday, Tuesday, and Friday mornings. The boys show real Township spirit and really take the games seriously.

The unique feature of intramurals is the fact that it

utilizes the talents of all those who are less athletically inclined. The program also serves in an instructional capacity as it teaches the fundamentals of the games and how to react under actual playing conditions. It fosters good sportmanship and increases interest in school athletics.

Under the supervision of Mr. Wilson K. Lewars and Mr. Bruce Westerdahl, our intramural program is becoming one of the most active units in our ever expanding extra-curricular activities.

... Fräulein Frolies ...

Since hockey is the only varsity sport for girls at Manheim Township, there is a great deal of interest in girls' intramurals. Starting early in the fall, the senior high girls engaged in speedball while the junior high lassies formed their own hockey teams.

When colder weather arrives and the girls are forced indoors, most of them participate on the many volleyball and basketball squads that are organized for the winter season.

When spring arrives, the girls are eager to get out into the fresh air and sunshine once again. While many upperclassmen engage in lacrosse, both junior and senior high gals are out on the diamond fighting gallantly on their own softball teams.

Supervised by Mrs. Margaret Hower and Miss Helene Schmidt, the girls' intramural program plays an outstanding part in the extra-curricular activities of the girls by teaching them sportsmanship and teamwork and offering an opportunity for relaxation.

FIRST ROW: Frank Habacker, John Showalter, John Snoke, Boyd Wilson, Jay Schroeder, Edward Peznosky, William Stoe. SECOND ROW: Larry Stover, Henry Brubaker, Jack Weaver, Fred Schroeder, Ronald Weaver, Ray Rutt, Thomas Kachel, Robert Slotkin. THIRD ROW: David Heinzelman, George Hammond, Ronald Moyer, Charles Gaston, Ronald Peters, Terry Brenner, Edward Rick, Jack Messersmith, Richard Ferris, Mr. Alex Kilkuskie. FOURTH ROW: Mr. C. Wendell Hower, Bruce Althouse, John Northup, Lew Ireland, Kenneth Hull, Richard Wylie, Stephen Wordell.

### .. Class "A" Champ

The track team, consisting largely of underclassmen, achieved many accomplishments during the season. Under the careful direction of coaches, Alex Kilkuskie and C. Wendell Hower, a State champion was produced.

For the first time since the team has competed in class "A" competition, a Township athlete won a State title. This honor was won by Lew Ireland in the javelin event with a throw of 186 feet, 6 inches. To qualify for State competition, Ireland set a new District Three record in winning the event with a throw of 180 feet, ½ inch.

Also gaining special recognition was the 440-yard relay team, which placed second in the Venzke Relays. Running on the team were Ken Hull, Jim Leonard, Ray Rutt, and Boyd Wilson.

Opening the season with a triangular meet, the Streaks scored 51½ points, which gave them a victory over Penn Manor with 49½ points and Cornwall with 36. After losing to Columbia, 65 to 53, the Streaks placed second in a triangular meet with Governor Mifflin and Wilson. Governor Mifflin won with 58, followed by Township with 44½, and Wilson trailed with 26½ points. Township then lost to York, 90⅓ to 35⅔, but they came back to defeat Muhlenberg by a 78 to 49 score.

Several Manheim Township records were broken during the season. Lew Ireland's 186 foot, 6 inch throw in State competition bettered his own school mark of 167 feet, 11 inches in the javelin throw. Terry Brenner set two records in the hurdle events by running the 180-yard low hurdles in 23 seconds flat and the 120-yard high hurdles in 18.2 seconds.

State javelin champ, Lew Ireland, is about to hurl his javelin during a practice session at Manheim Township.

KNEELING: Gerald Shaeffer, Robert Markley, John Coppage, Richard Moyer, David MacPherson, James Leonard, Larry Barton, Fred Mueller. STAND ING: James Graham, Roy Zug, Richard Markley, Donald McGallicher, Robert MacPherson, Terry Brenner, Robert Johns, Phillip Kliewer, John Eshleman, James Davis, David Heinzelman, Mr. William Cushman.

### .. On 70p Again

Bob MacPherson takes a mighty swing in a ball game at Neffsville.

The Streaks began their 1956 season with an expected victory over Hempfield High, 5-2. In a second non-league tilt Township played host to Manheim, giving the Barons their first setback of the new season. After this victory the Streaks, still on their home stand, secured their first league victory by defeating the Cocalico Eagles to the tune of 6-1.

New Holland, next fell prey to the Streaks' slambang attack on the losers' home field. By now the Cushman men were flying high and had no trouble defeating Manor, 9-0. The last team on the first half schedule, Ephrata, provided the Streaks with the most difficult competition of the season. Township finally pounded out a 5-3 win on the Mountaineer diamond.

To start the second half of the season the Streaks traveled to Denver and returned home with a 10-2 victory. The remaining three games on the schedule presented no problems for coach Cushman and his boys. They finished with 10-2, 6-3, and 11-3 wins over New Holland, Manor, and Ephrata respectively. These victories gave the Streaks a perfect 10 and 0 league standing.

This undefeated record enabled the Townshipeers to represent Section 2 in the county playoffs. In the first playoff game, the Streaks met the Crimson Tide of Columbia and after a hard fought seven innings the Columbians defeated coach Cushman's boys by a 3-0 score, thus ending the Streaks' hopes for a county championship. Even without a county title in their pockets, the boys found the season to be a profitable one. They finished with a 10-1 total season record.

After getting off to a slow start by losing to Wilson, 3-2, and Hershey, 5-2, in non league matches, and being edged out by Warwick, 4-3, the Township men started on a long winning streak which was to last for seven matches. They began this string of victories by trouncing Lancaster Country Day and McCaskey J. V.'s by the identical score of 7-0. After beating Donegal, 5-2, the Streaks shut out the next three teams, Manheim Central, New Holland, and Hempfield, by the score of 7-0. They finished the regular season with a 5-2 victory over Patton in a non league encounter.

After finishing this long victory streak, the Manheim Township netmen found themselves in a three-way tie for the league championship with a 6-1 record. However in the playoffs, Donegal proved too much for the Blue and White by handing the latter a 6-1 defeat.

Special recognition must be given to the doubles team of Merrell Clark and Orren Knauer, who captured the State doubles championship. After defeating Friedman and Frey, the duo from the McCaskey J. V.'s, by the score, 6-0, 6-2, for the league doubles championship the boys won the District Three doubles title by downing Hildebrand and Kern of Wilson, 6-2, 6-3. From there they traveled to Pennsylvania State University where they defeated Drought and Rhoads, the pair from Abington, by the score, 6-4, 6-3, to capture the State doubles championship.

Merrell Clark and Orren Knauer, State doubles champions, receive trophies for winning the league tournament from their coach, Charles Kreider.

Coach Stephen Palkovic, David Stevens, Fred Shepps, Andrew Horning, Michael Powl, Chester Kilburn, Douglas Feltman.

### .. It Suits Them to a "Tee"...

Feeling the need for a new sport, Manheim Township introduced the popular game of golf to the school's athletic program in the spring of 1956. Under the guidance of Coach Stephen Palkovic the team met four opponents in its first season.

After defeating Cocalico, 10-5, Township was downed by McCaskey, 14½ to ½ and 12½ to 2½. Hershey then topped the team, 14⅓ to ½ and 12½ to 2½. Although the Streaks came back strong to upset Cocalico, 8 to 7, they were conquered by West York, 15-0, in the final match of the 1956 campaign.

In the first year of competition the golf team turned in a commendable record of 2 victories and 4 defeats.

Special recognition must be given to David Stevens, who reached the final round of the District Three tournament, which was held at the Hershey Park course.

Michael Powl demonstrates his putting technique while his teammates look on. Standing from left to right are Coach Stephen Palkovic, Bratt Gratz, Harold Miller, Charles Mattson, Michael Moore, Peter Bickford, Douglas Feltman, Michael Powl Terry Beasley, Dennis Eyler, and William Heyn.
